FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION**

H-D U.S.A., LLC,

Plaintiff,

v.

THE PARTNERSHIPS and
UNINCORPORATED ASSOCIATIONS
IDENTIFIED ON SCHEDULE “A,”

Defendants.

Case No. 19-cv-07629

COMPLAINT

Plaintiff H-D U.S.A., LLC (“Harley-Davidson” or “Plaintiff”) hereby brings the present action against the Partnerships and Unincorporated Associations identified on Schedule A attached hereto (collectively, “Defendants”) and alleges as follows:

I. JURISDICTION AND VENUE

1. This Court has original subject matter jurisdiction over the claims in this action pursuant to the provisions of the Lanham Act, 15 U.S.C. § 1051, *et seq.*, 28 U.S.C. § 1338(a)-(b) and 28 U.S.C. § 1331. This Court has jurisdiction over the claims in this action that arise under the laws of the State of Illinois pursuant to 28 U.S.C. § 1367(a), because the state law claims are so related to the federal claims that they form part of the same case or controversy and derive from a common nucleus of operative facts.

2. Venue is proper in this Court pursuant to 28 U.S.C. § 1391, and this Court may properly exercise personal jurisdiction over Defendants since each of the Defendants directly targets business activities toward consumers in the United States, including Illinois, through at least the fully interactive, commercial Internet stores operating under the Online Marketplace

Accounts identified in Schedule A attached hereto (collectively, the “Defendant Internet Stores”). Specifically, Defendants are reaching out to do business with Illinois residents by operating one or more commercial, interactive Defendant Internet Stores through which Illinois residents can purchase products using infringing and counterfeit versions of Harley-Davidson’s federally registered trademarks. Each of the Defendants has targeted sales from Illinois residents by operating online stores that offer shipping to the United States, including Illinois, accept payment in U.S. dollars and, on information and belief, has sold products using infringing and counterfeit versions of Harley-Davidson’s federally registered trademarks to residents of Illinois. Each of the Defendants is committing tortious acts in Illinois, is engaging in interstate commerce, and has wrongfully caused Harley-Davidson substantial injury in the State of Illinois.

II. INTRODUCTION

3. This action has been filed by Harley-Davidson to combat Internet Store operators who trade upon Harley-Davidson’s reputation and goodwill by offering for sale and/or selling unauthorized and unlicensed products, including motorcycle parts, apparel, jewelry, and other goods, using infringing and counterfeit versions of Harley-Davidson’s federally registered trademarks (the “Counterfeit Harley-Davidson Products”). Defendants create the Defendant Internet Stores by the dozens and design them to appear to be selling genuine Harley-Davidson products, while actually selling Counterfeit Harley-Davidson Products to unknowing consumers. The Defendant Internet Stores share unique identifiers, such as design elements and similarities of the Counterfeit Harley-Davidson Products offered for sale, establishing a logical relationship between them and suggesting that Defendants’ counterfeiting operation arises out of the same transaction, occurrence, or series of transactions or occurrences. Defendants attempt to avoid liability by going to great lengths to conceal both their identities and the full scope and

interworking of their counterfeiting operation. Harley-Davidson is forced to file this action to combat Defendants' counterfeiting of its registered trademarks, as well as to protect unknowing consumers from purchasing Counterfeit Harley-Davidson Products over the Internet. Harley-Davidson has been and continues to be irreparably damaged through consumer confusion, dilution, and tarnishment of its valuable trademarks as a result of Defendants' actions and seeks injunctive and monetary relief.

22. Harley-Davidson and its dealers and licensees have sold many billions of dollars of products and services under the HARLEY-DAVIDSON Trademarks over the years, and have expended millions of dollars advertising and promoting those marks through virtually every media. For example, Harley-Davidson has promoted its products and marks through dealer promotions, customer events, direct mailings, national television, print, and radio advertisements, and the Internet. As a result, products bearing the HARLEY-DAVIDSON Trademarks are widely recognized and exclusively associated by consumers, the public, and the trade as being high-quality products sourced from Harley-Davidson. Harley-Davidson Products have become among the most popular of their kind in the U.S. and the world. The HARLEY-DAVIDSON

Trademarks have achieved tremendous fame and recognition which has only added to the inherent distinctiveness of the marks.

23. As a result of Harley-Davidson's significant promotional efforts, commercial success, and popularity, the HARLEY-DAVIDSON brand has been ranked annually for the past decade among the top 100 most valuable brands in the world by Interbrand, a leading independent branding firm. In 2015, Interbrand estimated the value of the HARLEY-DAVIDSON brand at US \$5.46 billion. The goodwill associated with the HARLEY-DAVIDSON brand and the HARLEY-DAVIDSON Trademarks is of incalculable and inestimable value to Harley-Davidson.

The Defendants

24. Defendants are individuals and business entities who, upon information and belief, reside in the People's Republic of China or other foreign jurisdictions. Defendants conduct business throughout the United States, including within the State of Illinois and this Judicial District, through the operation of the fully interactive, commercial online marketplaces operating under the Defendant Internet Stores. Each Defendant targets the United States, including Illinois, and has offered to sell, and, on information and belief, has sold and continues to sell Counterfeit Harley-Davidson Products to consumers within the United States, including the State of Illinois.

25. On information and belief, Defendants are an interrelated group of counterfeiters working in active concert to knowingly and willfully manufacture, import, distribute, offer for sale, and sell products using infringing and counterfeit versions of the HARLEY-DAVIDSON Trademarks in the same transaction, occurrence, or series of transactions or occurrences. Tactics used by Defendants to conceal their identities and the full scope of their counterfeiting operation

make it virtually impossible for Harley-Davidson to learn Defendants' true identities and the exact interworking of their counterfeit network. In the event that Defendants provide additional credible information regarding their identities, Harley-Davidson will take appropriate steps to amend the Complaint.

IV. DEFENDANTS' UNLAWFUL CONDUCT

26. The success of the Harley-Davidson brand has resulted in its significant counterfeiting. Consequently, Harley-Davidson has a worldwide anti-counterfeiting program and regularly investigates suspicious online marketplace listings identified in proactive Internet sweeps and reported by consumers. In recent years, Harley-Davidson has identified many fully interactive, commercial online marketplace listings on platforms such as iOffer, eBay, AliExpress, Alibaba, Amazon, Wish.com, and Dhgate, including the Defendant Internet Stores, which were offering for sale and selling Counterfeit Harley-Davidson Products to consumers in this Judicial District and throughout the United States. Despite Harley-Davidson's enforcement efforts, Defendants have persisted in creating the Defendant Internet Stores. E-commerce sales, including through Internet stores like those of Defendants, have resulted in a sharp increase in the shipment of unauthorized products into the United States. **Exhibit 2**, Excerpts from Fiscal Year 2018 U.S. Customs and Border Protection ("CBP") Intellectual Property Seizure Statistics Report. Over 90% of all CBP intellectual property seizures were smaller international mail and express shipments (as opposed to large shipping containers). *Id.* Over 85% of CBP seizures originated from mainland China and Hong Kong. *Id.* Counterfeit and pirated products account for billions in economic losses, resulting in tens of thousands of lost jobs for legitimate businesses and broader economic losses, including lost tax revenue.

27. Defendants facilitate sales by designing the Defendant Internet Stores so that they appear to unknowing consumers to be authorized online retailers, outlet stores, or wholesalers. Many of the Defendant Internet Stores appear sophisticated and accept payment in U.S. dollars via credit cards, Alipay, Amazon Pay, Western Union, and/or PayPal. The Defendant Internet Stores often include content and images that make it very difficult for consumers to distinguish such stores from an authorized retailer. Many Defendants further perpetuate the illusion of legitimacy by offering customer service and using indicia of authenticity and security that consumers have come to associate with authorized retailers, including the Visa®, MasterCard®, and/or PayPal® logos. Harley-Davidson has not licensed or authorized Defendants to use any of the HARLEY-DAVIDSON Trademarks, and none of the Defendants are authorized retailers of genuine Harley-Davidson Products.

28. Many Defendants also deceive unknowing consumers by using the HARLEY-DAVIDSON Trademarks without authorization within the content, text, and/or meta tags of their online marketplace listings in order to attract consumers searching for Harley-Davidson Products. Additionally, upon information and belief, Defendants use other unauthorized search engine optimization (SEO) tactics and social media spamming so that the Defendant Internet Stores listings show up at or near the top of relevant search results and misdirect consumers searching for genuine Harley-Davidson Products. Other Defendants only show the HARLEY-DAVIDSON Trademarks in product images while using strategic item titles and descriptions that will trigger their listings when consumers are searching for genuine Harley-Davidson Products.

29. Defendants go to great lengths to conceal their identities and often use multiple fictitious names and addresses to register and operate their network of Defendant Internet Stores. On information and belief, Defendants regularly create new online marketplace accounts on

various platforms using the identities listed in Schedule A to the Complaint, as well as other unknown fictitious names and addresses. Such Defendant Internet Store registration patterns are one of many common tactics used by the Defendants to conceal their identities, the full scope and interworking of their counterfeiting operation, and to avoid being shut down.

30. Even though Defendants operate under multiple fictitious names, there are numerous similarities among the Defendant Internet Stores. For example, Counterfeit Harley-Davidson Products for sale in the Defendant Internet Stores bear similar irregularities and indicia of being counterfeit to one another, suggesting that the Counterfeit Harley-Davidson Products were manufactured by and come from a common source and that Defendants are interrelated. The Defendant Internet Stores also include other notable common features, including use of the same accepted payment methods, check-out methods, meta data, illegitimate SEO tactics, lack of contact information, identically or similarly priced items and volume sales discounts, the same incorrect grammar and misspellings, and the use of the same text and images.

31. In addition to operating under multiple fictitious names, Defendants in this case and defendants in other similar cases against online counterfeiters use a variety of other common tactics to evade enforcement efforts. For example, counterfeiters like Defendants will often register new online marketplace accounts under new aliases once they receive notice of a lawsuit. Counterfeiters also typically ship products in small quantities via international mail to minimize detection by U.S. Customs and Border Protection.

32. Further, counterfeiters such as Defendants typically operate multiple credit card merchant accounts and PayPal accounts behind layers of payment gateways so that they can continue operation in spite of Harley-Davidson's enforcement efforts. On information and belief, Defendants maintain off-shore bank accounts and regularly move funds from their PayPal

accounts or other financial accounts to off-shore bank accounts outside the jurisdiction of this Court. Indeed, analysis of PayPal transaction logs from previous similar cases indicates that off-shore counterfeiters regularly move funds from U.S.-based PayPal accounts to off-shore bank accounts outside the jurisdiction of this Court.

33. Defendants, without any authorization or license from Harley-Davidson, have knowingly and willfully used and continue to use the HARLEY-DAVIDSON Trademarks in connection with the advertisement, distribution, offering for sale, and sale of Counterfeit Harley-Davidson Products into the United States and Illinois over the Internet. Each Defendant Internet Store offers shipping to the United States, including Illinois, and, on information and belief, each Defendant has sold Counterfeit Harley-Davidson Products into the United States, including Illinois.

34. Defendants' unauthorized use of the HARLEY-DAVIDSON Trademarks in connection with the advertising, distribution, offering for sale, and sale of Counterfeit Harley-Davidson Products, including the sale of Counterfeit Harley-Davidson Products into the United States, including Illinois, is likely to cause and has caused confusion, mistake, and deception by and among consumers and is irreparably harming Harley-Davidson.

COUNT I
TRADEMARK INFRINGEMENT AND COUNTERFEITING (15 U.S.C. § 1114)

35. Harley-Davidson hereby re-alleges and incorporates by reference the allegations set forth in paragraphs 1 through 34.

36. This is a trademark infringement action against Defendants based on their unauthorized use in commerce of counterfeit imitations of the federally registered HARLEY-DAVIDSON Trademarks in connection with the sale, offering for sale, distribution, and/or advertising of infringing goods. The HARLEY-DAVIDSON Trademarks are highly distinctive

marks. Consumers have come to expect the highest quality from Harley-Davidson Products offered, sold or marketed under the HARLEY-DAVIDSON Trademarks.

37. Defendants have sold, offered to sell, marketed, distributed, and advertised, and are still selling, offering to sell, marketing, distributing, and advertising products using counterfeit reproductions of the HARLEY-DAVIDSON Trademarks without Harley-Davidson's permission.

38. Harley-Davidson is the exclusive owner of the HARLEY-DAVIDSON Trademarks. Harley-Davidson's United States Registrations for the HARLEY-DAVIDSON Trademarks (Exhibit 1) are in full force and effect. Upon information and belief, Defendants have knowledge of Harley-Davidson's rights in the HARLEY-DAVIDSON Trademarks, and are willfully infringing and intentionally using counterfeits of the HARLEY-DAVIDSON Trademarks. Defendants' willful, intentional and unauthorized use of the HARLEY-DAVIDSON Trademarks is likely to cause and is causing confusion, mistake, and deception as to the origin and quality of the Counterfeit Harley-Davidson Products among the general public.

39. Defendants' activities constitute willful trademark infringement and counterfeiting under Section 32 of the Lanham Act, 15 U.S.C. § 1114.

40. Harley-Davidson has no adequate remedy at law, and if Defendants' actions are not enjoined, Harley-Davidson will continue to suffer irreparable harm to its reputation and the goodwill of the HARLEY-DAVIDSON Trademarks.

41. The injuries and damages sustained by Harley-Davidson have been directly and proximately caused by Defendants' wrongful reproduction, use, advertisement, promotion, offering to sell, and sale of Counterfeit Harley-Davidson Products.

COUNT II
FALSE DESIGNATION OF ORIGIN (15 U.S.C. § 1125(a))

42. Harley-Davidson hereby re-alleges and incorporates by reference the allegations set forth in paragraphs 1 through 41.

43. Defendants' promotion, marketing, offering for sale, and sale of Counterfeit Harley-Davidson Products has created and is creating a likelihood of confusion, mistake, and deception among the general public as to the affiliation, connection, or association with Harley-Davidson or the origin, sponsorship, or approval of Defendants' Counterfeit Harley-Davidson Products by Harley-Davidson.

44. By using the HARLEY-DAVIDSON Trademarks on the Counterfeit Harley-Davidson Products, Defendants create a false designation of origin and a misleading representation of fact as to the origin and sponsorship of the Counterfeit Harley-Davidson Products.

45. Defendants' false designation of origin and misrepresentation of fact as to the origin and/or sponsorship of the Counterfeit Harley-Davidson Products to the general public involves the use of counterfeit marks and is a willful violation of Section 43 of the Lanham Act, 15 U.S.C. § 1125.

46. Harley-Davidson has no adequate remedy at law and, if Defendants' actions are not enjoined, Harley-Davidson will continue to suffer irreparable harm to its reputation and the associated goodwill of the HARLEY-DAVIDSON Trademarks.

COUNT III
VIOLATION OF ILLINOIS UNIFORM DECEPTIVE TRADE PRACTICES ACT
(815 ILCS § 510, *et seq.*)

47. Harley-Davidson hereby re-alleges and incorporates by reference the allegations set forth in paragraphs 1 through 46.

48. Defendants have engaged in acts violating Illinois law including, but not limited to, passing off their Counterfeit Harley-Davidson Products as those of Harley-Davidson, causing a likelihood of confusion and/or misunderstanding as to the source of their goods, causing a likelihood of confusion and/or misunderstanding as to an affiliation, connection, or association with genuine Harley-Davidson Products, representing that the Counterfeit Harley-Davidson Products have Harley-Davidson's approval when they do not, and engaging in other conduct which creates a likelihood of confusion or misunderstanding among the public.

49. The foregoing Defendants' acts constitute a willful violation of the Illinois Uniform Deceptive Trade Practices Act, 815 ILCS § 510, *et seq.*

50. Harley-Davidson has no adequate remedy at law, and Defendants' conduct has caused Harley-Davidson to suffer damage to its reputation and associated goodwill. Unless enjoined by the Court, Harley-Davidson will suffer future irreparable harm as a direct result of Defendants' unlawful activities.

PRAYER FOR RELIEF

WHEREFORE, Harley-Davidson prays for judgment against Defendants as follows:

- 1) That Defendants, their affiliates, officers, agents, servants, employees, attorneys, confederates, and all persons acting for, with, by, through, under or in active concert with them be temporarily, preliminarily, and permanently enjoined and restrained from:
 - a. using the HARLEY-DAVIDSON Trademarks or any reproductions, counterfeit copies or colorable imitations thereof in any manner in connection with the distribution, marketing, advertising, offering for sale, or sale of any product that is not a genuine Harley-Davidson Product or is not authorized by Harley-Davidson to be sold in connection with the HARLEY-DAVIDSON Trademarks;

- b. passing off, inducing, or enabling others to sell or pass off any product as a genuine Harley-Davidson Product or any other product produced by Harley-Davidson, that is not Harley-Davidson's or not produced under the authorization, control, or supervision of Harley-Davidson and approved by Harley-Davidson for sale under the HARLEY-DAVIDSON Trademarks;
 - c. committing any acts calculated to cause consumers to believe that Defendants' Counterfeit Harley-Davidson Products are those sold under the authorization, control or supervision of Harley-Davidson, or are sponsored by, approved by, or otherwise connected with Harley-Davidson;
 - d. further infringing the HARLEY-DAVIDSON Trademarks and damaging Harley-Davidson's goodwill; and
 - e. manufacturing, shipping, delivering, holding for sale, transferring or otherwise moving, storing, distributing, returning, or otherwise disposing of, in any manner, products or inventory not manufactured by or for Harley-Davidson, nor authorized by Harley-Davidson to be sold or offered for sale, and which bear any of Harley-Davidson's trademarks, including the HARLEY-DAVIDSON Trademarks, or any reproductions, counterfeit copies or colorable imitations thereof;
- 2) Entry of an Order that, upon Harley-Davidson's request, those in privity with Defendants and those with notice of the injunction, including, without limitation, any online marketplace platforms such as iOffer, eBay, AliExpress, Alibaba, Amazon, Wish.com, and Dhgate, web hosts, sponsored search engine or ad-word providers, credit cards, banks, merchant account providers, third party processors and other payment processing service providers, and

Internet search engines such as Google, Bing and Yahoo (collectively, the “Third Party Providers”) shall:

- a. disable and cease providing services being used by Defendants, currently or in the future, to engage in the sale of goods using the HARLEY-DAVIDSON Trademarks;
 - b. disable and cease displaying any advertisements used by or associated with Defendants in connection with the sale of counterfeit and infringing goods using the HARLEY-DAVIDSON Trademarks; and
 - c. take all steps necessary to prevent links to the Online Marketplace Accounts identified on Schedule A from displaying in search results, including, but not limited to, removing links to the Online Marketplace Accounts from any search index;
- 3) That Defendants account for and pay to Harley-Davidson all profits realized by Defendants by reason of Defendants’ unlawful acts herein alleged, and that the amount of damages for infringement of the HARLEY-DAVIDSON Trademarks be increased by a sum not exceeding three times the amount thereof as provided by 15 U.S.C. § 1117;
- 4) In the alternative, that Harley-Davidson be awarded statutory damages for willful trademark counterfeiting pursuant to 15 U.S.C. § 1117(c)(2) of \$2,000,000 for each and every use of the HARLEY-DAVIDSON Trademarks;
- 5) That Harley-Davidson be awarded its reasonable attorneys’ fees and costs; and
- 6) Award any and all other relief that this Court deems just and proper.
