**COMPLAINT**

Plaintiff, Shenzhen Dejiayun Network Technology Co., Ltd., a Chinese Corporation, (hereinafter, "Plaintiff" or "Shenzhen Dejiayun") hereby brings the present action against The Partnerships And Unincorporated Associations Identified on Schedule "A" attached hereto, (collectively, "Defendants") and alleges as follows:

**JURISDICTION AND VENUE**

1. This Court has original subject matter jurisdiction over the claims in this action pursuant to the provisions of the Lanham Act, 15 U.S.C. § 1051, et seq., 28 U.S.C. § 1338(a)–(b) and 28 U.S.C. § 1331. This Court has jurisdiction over the claims in this action that arise under the laws of the State of Illinois pursuant to 28 U.S.C. § 1367(a), because the state law claims are so related to the federal claims that they form part of the same case or controversy and derive from a common nucleus of operative facts.

2. Venue is proper in this Court pursuant to 28 U.S.C. § 1391, and this Court may properly exercise personal jurisdiction over Defendants since each of the Defendants directly targets business activities toward consumers in the United States, including Illinois, through at least the fully interactive, commercial Internet stores operating under the Defendant Names/Aliases in Schedule A attached hereto. (collectively, the “Defendant Internet Stores”). Specifically, Defendants are reaching out to do business with Illinois residents by operating one or more commercial, interactive Defendant Internet Stores through which Illinois residents can purchase products bearing infringing versions of Plaintiff’s federally registered BAGILAANOE trademark. Each of the Defendants has targeted sales from Illinois residents by operating online stores that offer shipping to the United States, including Illinois, accept payment in U.S. dollars and, on information and belief, has sold products that infringe Plaintiff’s federally registered trademark. Each of the Defendants is committing tortious acts in Illinois, is engaging in interstate commerce, and has wrongfully caused Plaintiff substantial injury in the State of Illinois.

### **INTRODUCTION**

3. This action has been filed by Plaintiff to combat online e-commerce store operators who trade upon Plaintiff’s reputation and goodwill by selling and/or offering for sale products in connection with Plaintiff’s BAGILAANOE trademark, which is covered by U.S. Trademark Registration No. 5,745,285 (“BAGILAANOE”) for use with goods in Class 25, registered on May 7, 2019. The BAGILAANOE Registration is valid, subsisting, and in full force and effect. A true and correct copy of the federal trademark registration certificate for the BAGILAANOE mark is attached hereto as Exhibit One.

4. The Defendants create numerous Defendant Internet Stores and design them to appear to be selling genuine Plaintiff’s products, while selling inferior imitations of Plaintiff’s

products. The Defendant Internet Stores share unique identifiers, such as design elements and similarities of the infringing products offered for sale, establishing a logical relationship between them and suggesting that Defendants' illegal operations arise out of the same transaction, occurrence, or series of transactions or occurrences. Defendants attempt to avoid liability by going to great lengths to conceal both their identities and the full scope and interworking of their illegal operation. Plaintiff is forced to file this action to combat Defendants' infringement and/or counterfeiting of Plaintiff's registered BAGILAANOE trademark as well as to protect unknowing consumers from purchasing unauthorized BAGILAANOE products over the internet. Plaintiff has been and continues to be irreparably damaged through consumer confusion, dilution, and tarnishment of its valuable BAGILAANOE trademark as a result of Defendants' actions and seeks injunctive and monetary relief.

5. This Court has personal jurisdiction over each Defendant, in that each Defendant conducts significant business in the United States, in Illinois and in this Judicial District, and the acts and events giving rise to this lawsuit of which each Defendant stands accused were undertaken in Illinois and in this Judicial District. In addition, each defendant has offered to sell and ship infringing products into this Judicial District.

#### **THE PLAINTIFF**

6. Plaintiff Shenzhen Dejiayun Network Technology Co., Ltd., (hereinafter, "Plaintiff" or "Shenzhen Dejiayun") is a Chinese Corporation having its principal place of business at 104, No. 3, He Tang Guang Xin Village, Bantian St., Shenzhen, Guangdong Province, China 518000.

7. At all times relevant, Plaintiff has marketed and sold clothing items in Class 25 ("Bagilaanoe Products") through the Amazon.com, Walmart.com and JD.com ecommerce

platforms utilizing the BAGILAANOE mark. Sales and revenue derived from merchandise sold under the BAGILAANOE mark have been significant.

8. Plaintiff is the owner of all rights, title and interest in and to the BAGILAANOE mark, U.S. Trademark Registration No. 5,745,285. The registration is valid, subsisting, unrevoked and uncancelled. The registration for the BAGILAANOE mark constitutes prima facie evidence of validity and of Plaintiff's exclusive right to use the BAGILAANOE mark pursuant to 15 U.S.C. § 1057(b).

9. As detailed below, Plaintiff has been using the mark since September 15, 2018, in connection with the advertising and sale of Plaintiff's Products in interstate and foreign commerce, including commerce in the State of Illinois and the Northern District of Illinois.

10. The BAGILAANOE mark has been widely promoted, both in the United States and throughout the world.

11. Genuine products bearing the BAGILAANOE mark are distributed through Plaintiff's internet stores on the Amazon.com, Walmart.com and JD.com platforms. Sales of Plaintiff's BAGILAANOE products via Plaintiff's internet stores represent the majority of Plaintiff's business. The internet stores feature proprietary content, images and designs exclusive to Plaintiff.

12. The BAGILAANOE mark has never been assigned or licensed to any of the Defendants in this matter.

13. Plaintiff's BAGILAANOE mark is a symbol of Plaintiff's quality, reputation and goodwill and has never been abandoned.

14. Further, Plaintiff has expended substantial time, money and other resources developing, advertising and otherwise promoting the BAGILAANOE mark.

### **THE DEFENDANTS**

15. Plaintiff is currently unaware of the identity and/or location of Defendants. However, on information and belief, Defendants are individuals and business entities who reside in the People's Republic of China or other foreign jurisdictions. Defendants conduct business throughout the United States, including within Illinois and in this Judicial District, through the operation of the fully interactive commercial websites and online marketplaces operating under the Defendant Internet Stores identified in Schedule A, attached hereto. Each Defendant targets the United States, including Illinois, and has offered to sell and/or has sold and/or continues to sell infringing and/or counterfeit BAGILAANOE products ("Infringing Products") to consumers within the United States, including Illinois and in this Judicial District.

16. On information and belief, Defendants, either individually or jointly, operate one or more e-commerce stores including, and possibly not limited to, those listed in Schedule A attached hereto. Tactics used by Defendants to conceal their identities and the full scope of their operation make it virtually impossible for Plaintiff to learn Defendants' true identities and the exact interworking of their network. If Defendants provide additional credible information regarding their identities, Plaintiff will take appropriate steps to amend the Complaint.

17. This lack of precise information notwithstanding, it is well established that e-commerce sales, including through e-commerce stores like those of Defendants, have resulted in a sharp increase in the shipment of unauthorized products into the United States. See Exhibit Two, Fiscal Year 2018 U.S. Customs and Border Protection ("CBP") Intellectual Property Seizure Statistics Report. Over 90% of all CBP intellectual property seizures were smaller international mail and express shipments (as opposed to large shipping containers). Id. Over 85% of CBP seizures originated from mainland China and Hong Kong. Id. Counterfeit and pirated

products account for billions in economic losses, resulting in tens of thousands of lost jobs for legitimate businesses and broader economic losses, including lost tax revenue.

18. Further, third party service providers like those used by Defendants do not adequately subject new sellers to verification and confirmation of their identities, allowing counterfeiters to “routinely use false or inaccurate names and addresses when registering with these e-commerce platforms.” See Exhibit Three, Daniel C.K. Chow, Alibaba, Amazon, and Counterfeiting in the Age of the Internet, 40 NW. J. INT’L L. & BUS. 157, 186 (2020); see also report on “Combating Trafficking in Counterfeit and Pirated Goods” prepared by the U.S. Department of Homeland Security’s Office of Strategy, Policy, and Plans (Jan. 24, 2020), attached as Exhibit Four, and finding that on “at least some e-commerce platforms, little identifying information is necessary for a counterfeiter to begin selling” and recommending that “[s]ignificantly enhanced vetting of third-party sellers” is necessary. Counterfeitors hedge against the risk of being caught and having their websites taken down from an e-commerce platform by preemptively establishing multiple virtual store-fronts. See Exhibit Four at pg. 22. Since platforms generally do not require a seller on a third-party marketplace to identify the underlying business entity, counterfeiters can have many different profiles that can appear unrelated even though they are commonly owned and operated. See Exhibit Four at p. 39. Further, “E-commerce platforms create bureaucratic or technical hurdles in helping brand owners to locate or identify sources of counterfeits and counterfeiters.” See Exhibit Three at 186–187.

19. On information and belief, Defendants have engaged in fraudulent conduct when registering the Defendant Internet Stores by providing false, misleading and/or incomplete information to Internet based e-commerce platforms. On information and belief, certain

Defendants have anonymously registered and maintained Defendant Internet Stores to prevent discovery of their true identities and the scope of their counterfeiting and infringement network.

20. On information and belief, Defendants regularly register or acquire new seller aliases for the purpose of offering for sale and selling the Infringing Products. Such seller alias registration patterns are one of many common tactics used by the Defendants to conceal their identities and the full scope and interworking of their counterfeiting and infringement operation, and to avoid being shut down.

21. Even though Defendants operate under multiple fictitious aliases, the e-commerce stores operating as the Defendant Internet Stores often share unique identifiers, such as templates with common design elements that intentionally omit any contact information or other information for identifying Defendants or other Defendant Internet Stores they operate or use. E-commerce stores operating as the Defendant Internet Stores, or other currently unknown aliases, include other notable common features such as use of the same registration patterns, accepted payment methods, check-out methods, keywords, illegitimate search engine optimization (SEO), advertising tactics, similarities in price and quantities, the same incorrect grammar and misspellings, and/or the use of the same text and images. Additionally, Infringing Products offered for sale by the Defendant Internet Stores bear similar irregularities and indicia of being counterfeit to one another, suggesting that the Infringing Products were manufactured by and come from a common source and that Defendants are interrelated.

22. On information and belief, Defendants are in constant communication with each other and regularly participate in QQ.com and WeChat chat rooms and through websites such as sellerdefense.cn regarding tactics for operating multiple accounts, evading detection, pending litigation, and potential new lawsuits.

23. Infringers and counterfeiters such as Defendants typically operate under multiple seller aliases and payment accounts so that they can continue operation in spite of Plaintiff's enforcement efforts. On information and belief, Defendants maintain off-shore bank accounts and regularly move funds from their financial accounts to off-shore accounts outside the jurisdiction of this Court to avoid payment of any monetary judgment awarded to Plaintiff. Indeed, analysis of financial transaction logs from previous similar cases indicates that off-shore counterfeiters regularly move funds from U.S.-based financial accounts to off-shore accounts outside the jurisdiction of this Court.

24. On information and belief, Defendants are an interrelated group of counterfeiters working in active concert to knowingly and willfully manufacture, import, distribute, offer for sale, and sell the Infringing Products in the same transaction, occurrence, or series of transactions or occurrences. Defendants, without any authorization or license from Plaintiff, have jointly and severally, knowingly and willfully used and continue to use the BAGILAANOE Trademark in connection with the advertisement, distribution, offering for sale, and sale of Infringing Products into the United States and Illinois over the Internet.

25. In sum, Plaintiff's investigation shows that the telltale signs of an illegal counterfeiting ring are present in the instant action. For example, Schedule A shows the use of store names by the Defendant Internet Stores that have the appearance of being fabricated. Even if a company name appears to be legitimate, review of the Defendant Internet Stores reveals vague or non-existent company descriptions, lacking addresses, and descriptions of company purpose that do not match the type of goods offered for sale by Defendants. Thus, the Defendant Internet Stores are using fake online storefronts designed to appear to be selling genuine Plaintiff's Products while they are actually selling inferior imitations of Plaintiff's Products.

26. Defendants' unauthorized use of the BAGILAANOE Trademark in connection with the advertising, distribution, offering for sale, and sale of Infringing Products, including the sale of Infringing Products into the United States, including Illinois, is likely to cause and has caused confusion, mistake, and deception by and among consumers and is irreparably harming Plaintiff.

#### **DEFENDANTS' UNLAWFUL CONDUCT**

27. The success of Plaintiff's BAGILAANOE brand has resulted in its counterfeiting and infringement. Plaintiff has identified numerous domain names linked to marketplace listings on certain platforms including the Defendant Internet Stores, which were offering for sale, selling, and importing counterfeit and/or infringing BAGILAANOE products to consumers in Illinois, this Judicial District, and throughout the United States. Defendants have persisted in creating the Defendant Internet Stores.

28. Upon information and belief, Defendants facilitate sales by designing the Defendant Internet Stores so that they appear to unknowing consumers to be authorized online retailers, outlet stores, or wholesalers selling genuine BAGILAANOE products. Many of the Defendant Internet Stores look sophisticated and accept payment in U.S. dollars via credit cards, Western Union and PayPal. Defendant Internet Stores often include images and design elements that make it very difficult for consumers to distinguish such counterfeit sites from that of an authorized retailer. Defendants further perpetuate the illusion of legitimacy by offering "live 24/7 customer service and using indicia of authenticity and security that consumers have come to associate with authorized retailers, including the McAfee® Security, VeriSign®, Visa®, MasterCard®, and/or PayPal® logos. Plaintiff has not licensed or authorized Defendants to use

its BAGILAANOE trademark and none of the Defendants are authorized retailers of genuine BAGILAANOE products.

29. Upon information and belief, Defendants also deceive unknowing consumers by using the BAGILAANOE trademark without authorization within the content, text, and/or meta tags of their websites to attract various search engines crawling the Internet looking for websites relevant to consumer searches for BAGILAANOE products. Additionally, upon information and belief, Defendants use other unauthorized search engine optimization (SEO) tactics and social media spamming so that the Defendant Internet Stores listings show up at or near the top of relevant search results and misdirect consumers searching for genuine BAGILAANOE products.

30. Defendants often go to great lengths to conceal their identities and often use multiple fictitious names and addresses to register and operate their massive network of Defendant Internet Stores. For example, to avoid detection, Defendants register Defendant Internet Stores using names and physical addresses that are incomplete, contain randomly typed letters, or fail to include cities or states. Upon information and belief, Defendants regularly create new websites and online marketplace accounts on various platforms using the identities listed in Schedule A to the Complaint, as well as other unknown fictitious names and addresses. Such Defendant Internet Store registration patterns are one of many common tactics used by the Defendants to conceal their identities, the full scope and interworking of their massive counterfeiting operation, and to avoid being shut down.

31. There are also similarities among the Defendant Internet Stores. For example, some of the Defendant websites have virtually identical layouts. In addition, the counterfeit and/or infringing products for sale in the Defendant Internet Stores bear similarities and indicia of being related to one another, suggesting that the counterfeit and/or infringing BAGILAANOE

products were manufactured by and come from a common source and that, upon information and belief, Defendants are interrelated. The Defendant Internet Stores also include other notable common features, including use of the same domain name registration patterns, unique shopping cart platforms, accepted payment methods, check-out methods, meta data, illegitimate SEO tactics, HTML user-defined variables, domain redirection, lack of contact information, identically or similarly priced items and volume sales discounts, similar hosting services, similar name servers, and the use of the same text and images.

32. Defendants in this case and defendants in other similar cases against online counterfeiters use a variety of other common tactics to evade enforcement efforts. For example, counterfeiters like Defendants will often register new domain names or online marketplace accounts under new aliases once they receive notice of a lawsuit. Counterfeiters also typically ship products in small quantities via international mail to minimize detection by U.S. Customs and Border Protection.

33. Further, counterfeiters such as Defendants typically operate multiple credit card merchant accounts and PayPal accounts behind layers of payment gateways so that they can continue operation in spite of Plaintiff's enforcement efforts. Upon information and belief, the foreign Defendants maintain off-shore bank accounts and regularly move funds from their payment accounts to off-shore bank accounts outside the jurisdiction of this Court. Indeed, analysis of payment transaction logs from previous similar cases indicates that offshore counterfeiters regularly move funds from U.S.-based accounts to China-based bank accounts outside the jurisdiction of this Court.

34. Defendants, without any authorization or license from Plaintiff, have knowingly and willfully used and continue to use the BAGILAANOE trademark in connection with the

advertisement, distribution, offering for sale, and sale of counterfeit and infringing products into the United States and Illinois over the Internet. Each Defendant Internet Store offers shipping to the United States, including Illinois, and, on information and belief, each Defendant has offered to sell counterfeit and/or infringing BAGILAANOE products into the United States, including Illinois.

35. Defendants' use of the BAGILAANOE trademark in connection with the advertising, distribution, offering for sale, and sale of counterfeit products, including the sale of counterfeit and infringing BAGILAANOE products into Illinois, is likely to cause and has caused confusion, mistake, and deception by and among consumers and is irreparably harming Plaintiff.

**COUNT I**  
**TRADEMARK INFRINGEMENT AND COUNTERFEITING**  
**(15 U.S.C. §1114)**

36. Plaintiff repleads and incorporates by reference each and every allegation set forth in the preceding paragraphs as if fully set forth herein.

37. This is a trademark infringement action against Defendants based on their unauthorized use in commerce of counterfeit imitations of the BAGILAANOE trademark in connection with the sale, offering for sale, distribution, and/or advertising of infringing goods.

38. Defendants have sold, offered to sell, marketed, distributed, and advertised, and/or are still selling, offering to sell, marketing, distributing, and advertising products in connection with the BAGILAANOE trademark without Plaintiff's permission.

39. Defendants have infringed Plaintiff's rights in the BAGILAANOE mark by, among other things, using in commerce the identical and confusingly similar name "Bagilaanoe"

in connection with the promotion, advertising, sale, offering for sale, and distribution of counterfeit Bagilaanoe products.

40. Plaintiff is the exclusive owner of the BAGILAANOE trademark. Plaintiff's United States Registration for the BAGILAANOE trademark (Exhibit One) is in full force and effect. Upon information and belief, Defendants have knowledge of Plaintiff's rights in the BAGILAANOE trademark and are willfully infringing and intentionally using counterfeits of the BAGILAANOE trademarks. Defendants' willful, intentional and unauthorized use of the BAGILAANOE trademark is likely to cause and is causing confusion, mistake, and deception as to the origin and quality of the counterfeit goods among the general public.

41. Defendants' activities constitute willful trademark infringement and counterfeiting under Section 32 of the Lanham Act, 15 U.S.C. § 1114.

42. Plaintiff has no adequate remedy at law, and if Defendants' actions are not preliminarily or permanently enjoined, Plaintiff will continue to suffer irreparable harm to its reputation and the goodwill of its BAGILAANOE trademark.

43. The injuries and damages sustained by Plaintiff have been directly and proximately caused by Defendants' wrongful reproduction, use, advertisement, promotion, offering to sell, and sale of counterfeit BAGILAANOE products.

**COUNT II**  
**FALSE DESIGNATION OF ORIGIN (15 U.S.C. § 1125(a))**

44. Plaintiff repleads and incorporates by reference each and every allegation set forth in the preceding paragraphs as if fully set forth herein.

45. Defendants' promotion, marketing, offering for sale, and sale of counterfeit products has created and is creating a likelihood of confusion, mistake, and deception among the general public as to the affiliation, connection, or association with Plaintiff or the origin,

sponsorship, or approval of Defendants' counterfeit and/or infringing BAGILAANOE products by Plaintiff.

46. By using the BAGILAANOE trademark in connection with the sale of counterfeit and/or infringing BAGILAANOE products, Defendants create a false designation of origin and a misleading representation of fact as to the origin and sponsorship of the counterfeit products.

47. Defendants' false designation of origin and misrepresentation of fact as to the origin and/or sponsorship of the counterfeit BAGILAANOE products to the general public is a willful violation of Section 43 of the Lanham Act, 15 U.S.C. § 1125.

**COUNT III**  
**VIOLATION OF ILLINOIS UNIFORM DECEPTIVE TRADE PRACTICES ACT**  
**(815 ILCS § 510, et seq.)**

48. Plaintiff repleads and incorporates by reference each and every allegation set forth in the preceding paragraphs as if fully set forth herein.

49. Defendants have engaged in acts violating Illinois law including, but not limited to, passing off their counterfeit Bagilaanoe products as those of Plaintiff, causing a likelihood of confusion and/or misunderstanding as to the source of their goods, causing a likelihood of confusion and/or misunderstanding as to an affiliation, connection, or association with genuine Bagilaanoe products, representing that their products have Plaintiff's approval when they do not, and engaging in other conduct which creates a likelihood of confusion or misunderstanding among the public.

50. The foregoing Defendants' acts constitute a willful violation of the Illinois Uniform Deceptive Trade Practices Act, 815 ILCS § 510, et seq.

51. Plaintiff has no adequate remedy at law, and Defendants' conduct has caused Plaintiff to suffer damage to its reputation and goodwill. Unless enjoined by the Court, Plaintiff will suffer future irreparable harm as a direct result of Defendants' unlawful activities.

**PRAYER FOR RELIEF**

**WHEREFORE**, Plaintiff prays for judgment against Defendants as follows:

- 1) That Defendants, their affiliates, officers, agents, servants, employees, attorneys, confederates, and all persons acting for, with, by, through, under, or in concert with them be temporarily, preliminarily, and permanently enjoined and restrained from:
  - a. using the BAGILAANOE mark or any reproductions, counterfeit copies, or colorable imitations thereof in any manner in connection with the distribution, marketing, advertising, offering for sale, or sale of any product that is not a genuine BAGILAANOE product or is not authorized by Plaintiff to be sold in connection with the BAGILAANOE mark;
  - b. passing off, inducing, or enabling others to sell or pass off any product as a genuine BAGILAANOE product or any other product produced by Plaintiff that is not Plaintiff's or is not produced under the authorization, control, or supervision of Plaintiff and approved by Plaintiff for sale under the BAGILAANOE mark;
  - c. committing any acts calculated to cause consumers to believe that Defendants' counterfeit BAGILAANOE products are those sold under the authorization, control, or supervision of Plaintiff, or are sponsored by, approved by, or otherwise connected with Plaintiff;
  - d. further infringing the BAGILAANOE mark and damaging Plaintiff's goodwill; and
  - e. manufacturing, shipping, delivering, holding for sale, transferring or otherwise moving, storing, distributing, returning, or otherwise disposing of, in any manner, products or inventory not manufactured by or for Plaintiff, nor authorized by Plaintiff to be sold or offered for sale, and

which bear any of Plaintiff's trademarks, including the BAGILAANOE mark, or any reproductions, counterfeit copies, or colorable imitations thereof, or the BAGILAANOE mark;

g. operating and/or hosting websites which are involved with the distribution, marketing, advertising, offering for sale, or sale products or inventory not authorized by Plaintiff which bear the BAGILAANOE mark;

2) Entry of an Order that, upon Plaintiff's request, those in privity with Defendants and those with notice of the injunction, including, without limitation, any online marketplace platforms such as Walmart.com, Amazon, eBay, Wish, Joom and AliExpress, sponsored search engine or ad-word providers, credit cards, banks, merchant account providers, third party processors and other payment processing service providers, and Internet search engines such as Google, Bing and Yahoo (collectively, the "Third Party Providers") shall:

a. disable and cease providing services being used by Defendants, currently or in the future, to engage in the sale of goods using the BAGILAANOE mark;

b. disable and cease displaying any advertisements used by or associated with Defendants in connection with the sale of goods using without authorization the BAGILAANOE mark; and

c. take all steps necessary to prevent links from Defendants' Internet Stores from displaying in search results, including, but not limited to, removing links to Defendants' Internet Stores from any search index;

3) That Defendants account for and pay to Plaintiff all profits realized by Defendants by reason of Defendants' unlawful acts herein alleged, and that the amount of damages for

infringement of the mark be increased by a sum not exceeding three times the amount thereof as provided by 15 U.S.C. § 1117;

4) In the alternative, that Plaintiff be awarded statutory damages for willful trademark counterfeiting pursuant to 15 U.S.C. § 1117(c)(2) of \$200,000 for each and every use of the BAGILAANOE mark;

5) That Plaintiff be awarded her reasonable attorneys' fees and costs as available under 15 U.S.C. § 1117, and other applicable law;

6) Plaintiff demands a trial by jury;

7) Award any and all other relief that this Court deems just and proper.
