ANDERSON DESIGN GROUP, INC.,

Plaintiff,

Case No.: 1:25-cv-11640

v.

THE PARTNERSHIPS AND UNINCORPORATED
ASSOCIATIONS IDENTIFIED ON SCHEDULE “A”,

Defendants.

COMPLAINT

Plaintiff, ANDERSON DESIGN GROUP, INC. (“Anderson Design Group” or “Plaintiff”), by Plaintiff’s undersigned counsel, hereby complains of the Partnerships and Unincorporated Associations identified on Schedule A attached hereto (collectively, “Defendants”), and for Plaintiff’s Complaint hereby alleges as follows:

JURISDICTION AND VENUE

1. This Court has original subject matter jurisdiction over the claims in this action pursuant to the provisions of the Federal Copyright Act, 17 U.S.C. § 101, et seq., 28 U.S.C. § 1338(a)–(b), and 28 U.S.C. § 1331.

2. Venue is proper in this Court pursuant to 28 U.S.C. § 1391, and this Court may properly exercise personal jurisdiction over Defendants since each of the Defendants directly targets consumers in the United States, including Illinois, through at least the fully interactive commercial internet stores operating under the Defendant aliases and/or the online marketplace accounts identified in Schedule A attached hereto (collectively, the “Defendant Internet Stores”). Specifically, Defendants are reaching out to do business with Illinois residents by operating one or more commercial, interactive internet stores through which Illinois residents can purchase

products bearing infringing versions of Plaintiff's copyrighted work. Each of the Defendants has targeted Illinois residents by operating online stores that offer shipping to the United States, including Illinois, accept payment in U.S. dollars, and, on information and belief, have sold products bearing infringing versions of Plaintiff's federally registered copyrighted work to residents of Illinois. Each of the Defendants is committing tortious acts in Illinois, is engaging in interstate commerce, and has wrongfully caused Plaintiff substantial injury in the State of Illinois. Additionally, Federal Rule of Civil Procedure 4(k)(2) confers personal jurisdiction over Defendants because the claims asserted herein arise under federal copyright law, Defendants would not be subject to jurisdiction in any state's courts of general jurisdiction, and exercising jurisdiction is consistent with the United States Constitution and laws.

INTRODUCTION

3. Plaintiff, Anderson Design Group, Inc., is the owner of the federal copyright registration that protects the creative content of Plaintiff's illustration. Anderson Design Group is a family-owned business which specializes in illustration and poster design. As artists and crafts people, they are passionate about preserving the traditions and techniques of artists and printmakers from the twentieth century. Every print, postcard, and book Plaintiff produces is printed in the USA.

4. This action has been filed by Plaintiff to combat online copyright infringers who trade upon Plaintiff's reputation, goodwill, and valuable copyright by selling and/or offering for sale products in connection with Plaintiff's illustration. In addition, the Defendants are selling unauthorized products that are based on and derived from the copyrighted subject matter of Plaintiff's illustration.

5. Plaintiff is the owner of United States Copyright Registration No. VA 2-429-051 (the “Anderson Design Group Work”) and the registration is attached hereto as **Exhibit 1**. Upon information and belief, the copyright has an effective date that predates the Defendants’ acts of copyright infringement.

6. In an effort to illegally profit from the creative content of the Anderson Design Group Work, Defendants have created numerous Defendant Internet Stores and designed them to appear to be selling authorized Anderson Design Group Products.

7. The Defendant Internet Stores share unique identifiers, such as design elements and similarities of the unauthorized products offered for sale, establishing a logical relationship between them and suggesting that Defendants’ illegal operations arise out of the same transaction, occurrence, or series of transactions or occurrences. Defendants attempt to avoid liability by going to great lengths to conceal both their identities and the full scope and interworking of their illegal operation. Plaintiff is forced to file this action to combat Defendants’ piracy of the Anderson Design Group Work. Plaintiff has been and continues to be irreparably damaged through loss of control over the creative content of the valuable copyright, reputation, goodwill, the quality, and ability to license as a result of Defendants’ actions and seeks injunctive and monetary relief.
